P. O. BOX 775

AUSTIN, TEXAS

April 11, 1957

Dear Friends:

It is a pleasure for us to extend to you an invitation to be with us May 6 for our production sale.

Anticipation of your company is pleasure enough, but in addition it is pleasing to note better times ahead for the beef cattle industry. Last Monday we took a nine-year-old bull and ten-year-old cow to the auction for salvage. The bull weighed 1990 lbs. and sold for  $15\frac{1}{2}$  cents, netting \$308.45. The cow weighed 1245 lbs. and brought 13.6 netting \$169.32. Fairly good fat calves were bringing 25 cents. With prices such as these and grass such as most of us see springing to life, the demand for beef cattle has jumped tremendously.

The long range forecast is for wetter years ahead. If you are to take advantage of the need for purebred bulls now is the time to buy registered heifers.

Please join us on May 6 and bring your friends. We will present to you a great sale offering.

The Scofields

KINELLAR KORAN—Personally selected by Frank Scofield and Mrs. Fagan Dickson. Koran was being used as herd sire in the famous Fletcher herd at Saltoun. This bull was one of the greatest heads I have ever seen. He is a very big, smooth, deep fleshed bull with tremendous length from his hook bones back. In my opinion he is the closest we have ever come to the perfect bull for this country. You must see him in order to appreciate his extreme quality.

This bull has tremendous bone and the thickest hind quarters of any bull ever produced here.

### CRUGGLETON RAINEY 2716116

## REFERENCE SIRE E

### CLARA'S COMRADE 2867-171

This junior yearling bull was exhibited at seventeen fairs and expositions last fall and winter. He was first in class under every judge except one. We have been using his maternal half brother. In order to offer for sale a proven herd sire we are selling the brother (Lot 1) and keeping this bull.

### KINELLAR HOST 2813-202

### UPPERMILL COMRADE 2380874

Practically everyone in the Shorthorn business is familiar with both Uppermill Comrade and his pedigree. For the first time we are not carrying it in our catalog but you may see it as the top half of the pedigree of many impressive females in this sale.

## REFERENCE SIRE H

### CRUGGLETON BENHAM 2767-793

The loss of this great bull will be long regretted here. Those who were privileged to see him thought him to be one of the greatest Shorthorn bulls ever to come to this country. We are retaining one of his sons (Reference Sire C) for use here. This sale will probably be the last opportunity to buy either sons or daughters.

KAMAR AUGUSTA CONNIE 2D—When we first purchased imported Kinellar Host we bred two cows and three replacement heifers to him before shipping him on to Mr. Bronk, then co-owner. We got three calves from these five services. The heifer calf at foot here is an extra special one. Reading the pedigree above you will see that Kamar Augusta Connie 2d is a maternal sister to Circle M Upright 4th that sired so many good cattle for us. This pair is as valuable as any that will sell in the United States this year.

# Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service data.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
